What?
At this time, in this position?
If she has something to say, it doesn't have to be now.
I can't avoid the master's eyes unless I do it now.
Do it in the morning...
I'm tired.
What exactly do you want to say, that Rang Ii can't listen to?

I said I had something to "do", not something to "say".
So it's an action?
Why not tommorow.
I want to sleep. Get off.
I can't do that.
Hey, hey. Your face is too close.
I don't know..
why my master,
took a liking to you, someone who's lower than a bug.
As for me...

I feel like killing you this instance.
Are, you serious?
Why, of course.
My hatred towards you is as large as your stupidity.

Sae ...
Sae Hee???
It would be wise to remember my words.
You who doesn't even deserve to live, are only alive because of the master's grace, you leech.
Ending your life right now would be beneficial to the master,
but I never want to see the master's hurt face ever again, so I can't do that.
Remember, the fact that you're even alive right now is thanks to the master's grace,
Think,
and ponder,
and don't forget to think.
cough
I advise you to think more before you act.
Just how much joy she felt when you arrived.
Just what she felt, as she blindly followed you to Seoul.
Do you know what the master felt, as she waited 5,000 years for your arrival?

Cough, cough.
Oh, also,
Please don't be offended,
about me erasing your memories about my actions just now.
This was simply,
one of my mood swings.

AAAHHH
Ah...
What...
I felt like I had a night-mare...

SUNG HOON!
IT'S MORNING!
How long are you going to sleep?
Someone else was preparing breakfast since dawn!
Na Rae... that outfit...
퍼엉
UGH!
Did the night-mare,
just start now....!

NAKED...
APRON?
WHO'S IN A NAKED APRON?
I'M CLEARLY WEARING CLOTHES!!
What's a naked apron?
A naked woman, or a man, who wears an apron, which is normally used to protect your clothes, or for fashion.
Hey...
Are you awake young master?
....
Ah..
What's wrong?

What is it? I feel like I forgot something...
I didn't wake up, I was forced awake
PERVERTed young master.
Did you look at my face and imagine my in a naked apron?
This is just an image.
I WOULD NEVER DO THAT!
To clear your conciousness, a morning coffee is the best.
This is vending machine coffee.
Did you think that I would grind up roasted coffee beans and blend coffee for you?
WAIT!
I don't think that's the important part
That's false The best way is to grind them right after you roast them

This thing called coffee is it good?
Huh?
Well, yeah.
But a kid like you,
wouldn't understand the flavor.
AYE!
Hey... HEY!!

HNYAA AAAAH -!!
철퍽
AAH -!!
Are you... alright?
I didn't think it'd be that hot and bitter... That's why I...
And that's why you threw the coffee directly into my face.
If Sae Hee didn't bring me a wet towel right away...
my face would have gotten burnt.
Uu~
Rang Ii, when you do something wrong like this, don't give excuses first.
The first thing you should do is sincerely apologize.
W, will you forgive me if I do that?

If a single apology is all you needed for forgiveness, why would the world need laws and the police? However...
Well, I guess.
Alright.
Huh?
My severe lack of understanding caused great inconvinience for you.
I will accept whatever punishment you give me,
Please reside your discontent and forgive this humble being.
YOU DON'T HAVE TO APOLOGIZE LIKE THAT!
GET UP! I'LL FORGIVE YOU!
Didn't you say I had to apologize sincerely?
THAT WAS TOO MUCH! NOW I FEEL SORRY!
DO YOU REALLY FEEL SORRY FOR ME?

You!
Isn't that too self-centered?
Instead of apologizing, can you fulfill my request?
In that case...
Of course.
It wasn't that big of a deal, and you went down on your knees.
Like this?
Nevermind. So, what's your request?
Fine, but next time, even if you ask like this,
I won't do it.
A DATE!!

Got any suggestions?

If you have any suggestions on how I could improve quality, or if you have a specific title that you want translated, send an email to:

(you can also send paypal donations)

It doesn't just have to be manhwa, or web-toons. I'm fluent in both korean and japanese, so manga is fine.

Also if anybody has any idea how other groups remove text on the pictures... hit me up with that info. It pains me to just put a white box over it everytime.

I'll work as fast as I can, but sometimes I'm busy, so if I can't do daily releases please understand.
